

Migration Referral Information

The UMSU Legal Service does not provide migration advice to students. International Student Services within the University (iss-support@unimelb.edu.au) can provide advice on your student visa during your course of study, but they cannot offer advice or assistance regarding visa options about staying in Australia after you finish your course.

The lawyers listed below may be able to help you with migration enquiries. They may charge fees for their assistance. You should discuss costs directly with the businesses listed.
