Supporting Respect. Now. Always. campaign

GSA Council Policy Statement

GSA Position

GSA supports the Respect. Now. Always. campaign founded by Universities Australia, and endorsed by the University of Melbourne. The campaign is intended to prevent and address sexual assault and harassment among university students and staff.

Rationale

All University students and staff have the right to be safe and respected, on campus and off. Sexual assault and harassment is always inexcusable, and GSA welcomes and supports this nation-wide campaign to address and prevent it.
